General Uniform Information and Policy:

Practice Gear is available in both the North and South Soccer USA store locations based on availability. To guarantee a player has the required pieces of practice gear these pieces must be purchased or ordered by June 17.

Friday, June 17 is the final day to order any gear to ensure it is here prior to team camp (practice gear) and your team's official game.

For U11's (01's) Uniform ordering and pick-up will be managed by each team's manager. Try on and ordering will be completed according to the master schedule above. Team managers will be responsible for assigning jersey numbers as well as the official entering of player jersey numbers into the online roster system. Uniforms will be available for pick-up in late August. Soccer USA will directly notify each team manager when his/her team's order has been completed. The manager will pick-up the entire team's uniforms and distribute to each individual team member.

U12- U18 LSC players will order on an individual basis. These uniform pieces will be available for pick-up in late August and will be picked up by the individual players who placed the order. Soccer USA will notify individuals directly when their order is available for pick-up.

For specific LSC uniform policies visit the Lonestar web site and review the Parent Player Handbook. Uniform specific policy can be found on pages 17-18.
